

## Our Annual Celebration of Giving is Just a Week Away!! - Wednesday, May 15th at 4:00 pm

Plan on attending our *Annual Celebration of Giving* where we honor the people and organizations that so richly give back to local communities and beyond.

You, our members and supporters, contribute to the success of our philanthropic efforts and we would be honored to have you share in this incredible celebration.

This year, we will be awarding 21 grants and will recognize our multi-year grant recipient, The Agrarian Institute, with the second installment of their grant award. Dinner will once again be catered by Copper Kings Gourmet Burgers (there are veggie options) and beer, wine, soft drinks and bottled water will be available. This is a member only event, however members are encouraged to bring a guest/family member. There is no cost for this event, **but it is essential that you RSVP for each attendee no later than May 10th.**

## Sharing Our Trip to the Japanese Friendship Garden on April 18th

Our docent-led tour of the Japanese Friendship Garden in Balboa Park was amazing. The weather was near perfect and our docents not only provided us with information on the various plants in the garden, but gave us a "cultural" tour of Japan as well. If you missed this trip and have not yet been to the Japanese Friendship Garden, plan to take an afternoon and wander through the beautiful, winding paths. It is well worth your time! After our tour, we split up for lunch with some of us dining at The Prado Restaurant and others at the Japanese Tea House -- both of them boasting excellent ambiance and food. Enjoy the photos below.

## Member Survey Coming

A few months ago, we had planned to launch a short member survey, but had later determined to put it on hold for a while. Now that it is near the beginning of a new membership year, we will be sending out the survey within the next week. We want to obtain your opinion on a variety of things so that when we plan events, we strive to have offerings that reflect our members' interests. As an aside,

we are in the process of generating a new website that will be a bit more consolidated and user friendly, will host an easy-to-use event registration function, and offer a "members only" page.

Please keep your eyes open for the survey and take a few moments to complete it. We certainly appreciate it!!

**Remember to regularly check out our upscale resale shop, "*Bloom Again.*" We receive new items daily and you just may find the treasure you are looking for!**

**Open Tuesdays through Saturdays from 10:00 am to 2:00 pm
