## We've Had a Busy April!

We've had some great events this month. It started on April 5th with an informative presentation by club member, Andria Sullivan, on roses and making the most the blooming season. It was a gorgeous day -- we had some much needed respite from the rain -- and we enjoyed the warm outdoors near Andria's beautiful rose garden at her home in Santa Luz. She gave us some great advice on choosing which roses to plant, how to plant them, watering needs, fertilization tips, pest control, and trimming during the blooming season. A special thanks goes out to Andria for sharing her knowledge and her home with us!

Our next event was the bus trip to Huntington Gardens on April 20th. Our small group traveled to San Marino and spent the afternoon visiting the various themed gardens. They were absolutely amazing and we all agreed we'd like to come back to spend more time visiting the 132-acre Estate. We enjoyed a delicious lunch before heading over to the Huntington Store. There was so much to see in the store as well so another trip, whether a bus trip or carpool, is definitely on our list!
