it's time to  
**RENEW YOUR  
MEMBERSHIP**

## There's Still Time To Renew Your Membership or Join as a New Member!

We are still early in our membership year which began June 1st. If you have not renewed your membership (or would like to join) for the 2023-2024 year, now is the time to do it. We have many exciting events coming up for the remainder of the year, all of them free for members. Scroll down to view the calendar through December 2023. We have begun working on our 2024 calendar and as in the past, most of the events will be free or at a very reduced cost for members. The cost of the annual membership starts at only \$115, which not only comes with the benefit listed above, but you'll receive a discount at our resale shop, Bloom Again, as well as at local nurseries and other establishments. Renewal is easy. You can go to our [membership page on our website](#) and pay via PayPal using your credit card. Or you may print out the membership form, complete it and mail it in with your check or credit card information. All payment avenues are secure, and sensitive information on membership applications received in the mail will be deleted once processed. So what are you waiting for? Renew now -- or if you are not a member yet, consider joining the club! If you have any questions, please feel welcome to contact Natalie Kaczur, our Executive Director at 858-951-1885 or at [natalie@rsfgardenclub.org](mailto:natalie@rsfgardenclub.org).

## Mark Your Calendar for What's Coming Up

## Prepping Fruit Trees for a Bountiful Spring/Summer Harvest

Join us on September 11th at the Secret Garden for tips on the care, feeding and pruning of your fruit trees to ensure a "fruitful" harvest. More information on this event will be sent via email with a link to register. There will be no cost for members to attend and guests may attend for a \$20 registration fee.

The speaker will address the specific needs of various fruit trees including citrus -- which seem to be the "problem child" for many of us.

## Our Annual Succulent Pumpkin Workshop

It's hard to believe that October is only a couple of months away, which means Fall will be here before we know it. And what better way to begin our Fall decorating then with a beautiful succulent pumpkin! Plan to join us on October 16th for the ever-popular annual succulent pumpkin workshop. All supplies are included and there is no cost for members to participate. Guests may attend for a \$35 registration fee. More information on this event will be sent via email with a link to register.

## Member "Makes" Meals for Monarchs!

Katie Fish, long time club member and Board member, is enjoying the feeding frenzy taking place in her backyard. The lovely milkweed plants she planted in her garden have become a culinary delight for about 20 very hungry caterpillars. She's losing the plants -- for the time being -- and is anxiously awaiting the new butterflies that will be enjoying the nectars in her garden.

Hopefully there are other club members cultivating milkweed and helping to increase our Monarch population. Thank you, Katie, for sharing these photos and for your part in "Saving the Monarchs!"
