

Join or Renew Your Membership

If you have not renewed your membership (or would like to join) for the 2023-2024 year, now is the time to do it. We have many exciting events coming up for the remainder of the year, (scroll down

to view the calendar through December 2023), and we are already working on our 2024 calendar. Most of the events are free for members, or at a very reduced cost vs. the cost for non-member participants/guests. For example, the cost of the events for the remainder of 2023 if you attend as a guest/non-member, would be \$250. As a member, you will pay \$95 - plus get all of the events from January 1 to May 31, 2024 for free or at a significantly reduced fee.

The cost of the annual membership starts at only \$115, which not only comes with the benefit listed above, but you'll receive a discount at our resale shop, Bloom Again, as well as at local nurseries and other establishments. Renewal is easy. You can go to our [membership page on our website](#) and pay via PayPal using your credit card. Or you may print out the membership form, complete it and mail it in with your check or credit card information. All payment avenues are secure, and sensitive information on membership applications received in the mail will be deleted once processed. So what are you waiting for? Renew now -- or if you are not a member yet, consider joining the club! If you have any questions, please feel welcome to contact Natalie Kaczur, our Executive Director at 858-951-1885 or at natalie@rsfgardenclub.org.

Our Farm to Table Dinner at Coastal Roots Farms will take place on Thursday, August 17th at 5:00 pm. This event was a huge success last year and unfortunately we had to turn away folks who wanted to attend because our attendance cap had been reached. This year, we are working with Coastal Roots to give us a larger venue and now we can accommodate 65 people. This event will sell out fast so register early! Chef Christina Ng will once again tease our tastebuds with her masterful culinary skills. This is a member-only event, however members can bring a guest. For more information on the event, including the menu, or to register please click on the button below.

Recap on our June 5th Presentation

Master Gardener, Debby Dunn, gave us useful information on *Water Conservation, Water-wise Plants and Rebates*. She was an outstanding speaker and those in attendance enjoyed her lively presentation and the very timely information she provided. If you were not able to make Debby's presentation, she was kind enough to send us a "mini-presentation" of the most important points she covered. You can obtain those slides on our website at [2023 Past Events..](#)
