Pumpkins, Pumpkins Everywhere!

It wouldn't be Fall at RSFGC without our Annual Succulent Pumpkin workshop. Approximately 65 members and their guests gathered on October 16 at the Secret Garden and had a wonderful time decorating their pumpkins with a wide assortment of succulent cuttings, ribbons and other seasonal decor. Check out the fun and fantastic creations below!

Save the Date - January 10, 2024

On **Wednesday, January 10, 2024 at 10:30 am**, there will be a live demonstration at the home of club member Andria Sullivan on "Putting Your Roses to Sleep for the Winter." As some of you may remember, Andria hosted an event last year on caring for roses. She has over 100 rose bushes and knows a thing or two about how to ensure beautiful blooms! More information on this event and **the rest of our 2024 calendar will be coming out in mid/late November**.

We Still Need You at Bloom Again!!!

Because of vacations, sick days, other commitments and unplanned appointments, we fall short of volunteers on a regular basis. **That is why we need your help to ensure the success of our shop.** There are different jobs available at the shop that will suit your interest, as well as your choice of day and time to volunteer. We need **regular volunteers** each day we are open from Tuesday through Friday, 10:00 am to 2:00 pm. We are set on Saturdays, but you can volunteer to be "on call" for Saturday...or actually any day of the week!

Please help us to keep our resale shop open and profitable by volunteering one day a week for a four-hour shift. But if you cannot do an entire shift, we are willing to work with your schedule. (FYI - for safety reasons, we do not open if there is only one person to "man" the

shop).

And... volunteers receive a 20% discount on all purchases! ***If you are interested in helping, please contact Liz Lovelace at 858-756-1554 or email her at liz@rsfgardenclub.org. Thanks!***
